

Katarine Gevorgyan

Originally from Armenia, the mountainous Caucasus region between Asia and Europe.

Her current activity is connected to the domain name market. She is a Customer Care Executive and provides domain registration service on GlobalR. Directly contacting with the registrars and registries her team is working on creating a simplified and single connecting platform for registering any ccTLD almost without obstacles.

Katarine is a member at Internet Society of Armenia (ISOC AM). Also, she is involved in SEEDIG editorial team.

On ICANN66 meeting and NASIG 2019 in Montreal, she is selected for the Fellowship program.
